BALTIMORE LITERATURE CHAIR REPORT APRIL 2024

April 6, 2024

Good morning/afternoon,

Once again, I attended the Together we can, regional newspaper editors' board meeting on Saturday February 17. As a reminder, the editorial board meets every third Saturday at noon at the Service Center and is open to anyone interested to join in. This is a hybrid meeting. The online Zoom access is; ID #: 82543270736, PC: freestate. Alternatively, you can also submit articles, poems, anniversaries at the collection box in the Service Center.

I also attended the Literature sub-committee meeting at the Region on April 4. There were four (4) areas represented: Baltimore, NE Freedom, North West, and Bay.

During that meeting, there were some discussions about a suggestion made by the Baltimore area to have Regional Workshops on the four Issue Discussions topics listed in the CAR report. The Regional sub-committee chair, Peggy did try to reach out to the RD and the RDA for assistance in organizing and conducting these workshops. She is waiting for their answers. We will also look at the schedule of the Autonomy Zonal Forum, which we are part of, to look if they are planning to conduct some workshops themselves. This is to avoid duplicate effort in case others organizations in our geographical area are doing the same. As a reminder, we list these topics again at the bottom of the report along with the web links.

We were also informed that the meeting schedules are selling pretty well at the Service Center. There is no fix timepoint for printing. Publishing will be on an as needed basis. Once the current stock reaches a low point, and the sales have generated sufficient funds for a new batch, we will order some more. The cost is still \$0.65 a piece,

There are also a couple of vacant positions at the Regional Literature sub-committee. We are in needs of a vice-chair and a secretary.

At the world level, as noted in NA World Services website, *"Issue Discussion Topics are subjects that recovering addicts in NA communities around the world focus on in discussions and workshops throughout each two-year conference cycle. These conversations encourage us to think more deeply about relevant topics and help build unity within our groups and service bodies. In addition, sending the results of your discussions to the [World Board](#) can help shape Fellowshipwide resources and services"*.

For the 2023-2026 Cycle, there are currently four (4) topics which are:

- 1) Gender-Neutral and Inclusive Language in NA Literature. The link for the PDF workshop presentation is:
<https://www.na.org/admin/include/spaw2/uploads/pdf/IDT/Gender%20Neutral/Gender-neutral%20and%20inclusive%20language%20workshop%20outline%20to%20post.pdf>
- 2) Dealing with Disruptive and Predatory Behavior. The link for the PDF workshop presentation is:

- 3) DRT/MAT as It Relates to NA: Helping Members Take Root. The link for the PDF workshop presentation is: https://www.na.org/admin/include/spaw2/uploads/pdf/IDT/DRT-MAT/DRT_MAT%20taking%20root_to%20post.pdf
- 4) Reimagining and Revitalizing Service Committees. The link for the PDF workshop presentation is:
<https://www.na.org/admin/include/spaw2/uploads/pdf/IDT/Service%20Committees/Reimagining%20and%20Revitalizing%20Service%20Committees%20to%20post.pdf>

There are also a couple of projects at the World which were identified in the CAR Report:

- 1) **Project # 1: Future of the WSC**
The link for that topic: <https://www.na.org/?ID=future-of-the-wsc>
From the project plan passed at WSC 2023:
A main focus of this project will be developing ideas about how a three-year cycle might work. Some of the topics that participants have raised that we anticipate will be focused on include vetting CAR motions and the CAR survey, determining what must be decided in person and what can be decided virtually, and improving communication between meetings. The ever-growing size of the WSC has been a discussion topic for years and will also need to be addressed, which will include a focus on the criteria for the seating of regions and zones.
- 2) **Project # 2: A Volunteer Form** for those interested in doing volunteer work at the world such as participating in focus groups, workshops, or sharing experiences. The link to access the form is listed below

These are some of the highlights we are looking forward to addressing:

1. We discussed the opportunity to revisit and move forward to reinsert the Virtual connection to the BASC Meeting.
2. I have and will distribute both the Articles & Guidelines to the GSRs along with the GSR handbook as stated at our last BASC Meeting.
3. We continue to meet as often as we can to fulfill the timeline on scheduled next A/G for approval (the Articles & Guidelines are due twice a year) before this year's term ends.

(We the committee was tasked to locate and bring forth these BASC documents forward to the Area.)

4. The motion spreadsheet will be updated continuously with all motions.
5. We will review and discuss the Policy Committee meeting efforts on **April 20, 2024 @ 12:30 @ FSRC.**

We will answer any questions that you may have concerning matters of this committee. We thank you in advance for your time, commitment, and assistance.

GREETINGS EXECUTIVE BODY GSR AND ALT. GSR

Let me start by saying good morning to all. As the Vice Chair. I attended all the necessary meetings that is required of me. I attended March Madness where we had a table set up with information on the committees that are available. I did get some people interested in a couple of the committees. I'm now going to be setting up a meeting for the phone line. I have enough people that are interested in coming aboard. I will also be attending the phone line committee meeting from another are that someone told me about. Once I do that I will have a better understanding of what is in detail. I also attended the P. R. meeting. Where there is the Tuerke Convention that I will be attending as the acting chairperson of P. R. Last but not least I also attended the Special Events meeting as well. I love the fact that I'm remaining teachable.

Thanks for allowing me to serve,

Sincerely,
Sheila S.
Vice Cha
